**FOR IMMEDIATE RELEASE:**

## **Barvista announces signing of Ski Resort Apartment Project**

**Berthoud, CO, (February 18<sup>th</sup> 2008)** – Barvista Homes, Inc. (Private) announced the signing of a contract to provide modular units for the Snowmass Club Commons II project with Colorado builder and general contractor The Neenan Company.

The project, slated for completion in Winter of 2008, is a part of the Aspen Skiing Company's expansion of the Aspen-Snowmass ski resort employee housing.

As a part of the contract, Barvista will provide thirty six (36) units in two (2) apartment buildings that are expected to be delivered in the spring of 2008.

Commenting on the signing of the contract, CEO Tony Watson said "This contract represents another exciting step for Barvista into multi-family housing projects. Our experience and capabilities make us uniquely qualified among modular companies for this type of building."
