**ROBER STRICKLAND – NEW V.P. OF ENGINEERING**

The Barvista family is pleased to have Robert Strickland as the new head of the engineering department. Robert comes from Nationwide Custom Homes in Virginia. Robert has over 17 years of Engineering and engineering management at modular housing facilities.

**WHAT CHANGES TO EXPECT?** Everyone should expect to notice changes as Robert brings years of engineering and departmental management to the Barvista engineering department. As the backlog of ordered engineering and design work continues to steadily increase,

**A NEWLYWED?** Yes, Robert and his fiancée Valarie, who is also from Virginia, were married on August 18<sup>h</sup> just after Robert came to Barvista. Valarie hopes to move to Colorado soon.
