

INTRODUCING THE RETREAT

The Retreat is an incredible new custom modular mountain cabin or cozy cottage design in the Peak Series from Barvista Building Systems. Featuring a steep cape style roof with multiple gable and peak dormers, this two-story cabin packs an incredible amount of appeal in a compact and efficient design. Throughout the home, large windows are prominent including three-window combinations in the stairs and living room.

The 1st floor features a spacious kitchen and dining room made bigger by an expanded cantilevered floor area.

The 2nd floor features two generously sized bedrooms with an exterior deck off of the front bedroom.

The Retreat comes in two versions:

- [RETREAT I: 1099 Square Feet](#) – 2 bedroom, 2 and ½ bath unit
- [RETREAT II: 1162 Square Feet](#) – 2 bedroom, 2 and ½ bath unit
